Dear Potential Donors & Sponsors,

Love N'spired Inc., a 501(C)(3) tax-exempt organization. Our heartfelt gratitude for your interest in supporting our cause. Our community outreach program is dedicated to elevating individual awareness and providing essential resources to those in need. Love N'spired Inc. is committed to empowering our youth, young adults, and families to reach success.

We provide several services, and we are a lifetime lifeline to support them on their journey. We've had the honor of having Lena Walther's, the Consul of Sweden, host our event on Sex Trafficking, Clarice McCalister from the Metropolitan Police Drug Unit, also hosted our event on the dangers of drug use. The Woman of Metro along with Commissioner Jim Gibson donated to our Self-Care event.

Through these initiatives, we hope to provide our youth and young adults, and families with hope and the assurance that they are not alone. Having the privilege to be a part of Love N'spired Inc. is nothing but an amazing experience that has become life changing. As someone who spent 12 years in foster care before being emancipated at 17 1/2, with two children and no plan, I understand feelings of being inadequately prepared for life. No judgment, just love, because love should be free.

Here at Love N'spired Inc., our purpose is to show that love still exists by putting our words into action. Join us and be part of this journey. We appreciate your time, and look forward to your support. We will continue to organize events, add more resources. Your generous donation will directly contribute to the success of our programs, as well as impact lives. We are dedicated to transparency and will provide every donor and sponsor with updates on how their contributions were distributed. Thank you for your compassion and support.

Best Regards,

Moe'Nique Love, President of Love N'spired Inc.
