 **Poem: Unity in Being United**

*By Moe'Nique Love*

In a world where courage echoes resound,

Women gather, in unity profound.

Hearts ablaze, spirits aglow,

Together we face any foe.

From far and near, we come together,

Each voice a symphony, clear and sure.

In unity's embrace, our strength takes flight,

A radiant force, shining with might.

Through trials and triumphs, hand in hand,

We navigate life's shifting sand.

Bound by love, and sisterhood's grace,

Together we conquer, with poise and pace.

Let us join hearts and hands, empower and uplift,

For in unity's embrace, we find our gifts.

Together, united, inspiring souls —

Our strength lies in the bond we allow to grow.
